Suggests that the presence of the Builders & Assistant Commissioners from the Maffial may not be considered necessary at the meetings held in the D K Headquarters for the selection of subjects proposed for discussion by members at the Birthday & Davaa Sessions of the Assembly. As after the Reforms, the Local subjects are no longer within the sphere of Q A and the presence of the Builders is not of any use, & moreover their attendance costs a good deal of money ^{to fact} in the & hampers free expression of opinion by members.

His reasons are :

(1) Though their presence was necessary when local subjects were discussed at the R. A., now that such local subjects are dealt with by the local bodies, there is no justification for their presence.

(2) Their attendance costs a great deal of money by way of R. A.

(3) Their absence from their headquarters causes their legitimate work to suffer.

(4) Their presence hampers free discussion.

The Deputy Commissioners

were consulted and their opinion is not unanimous. (Mr. S. S. Zia) (Mr. S. Jai Ram) The Secs of Hapur, Shimoga (Mr. B. Ramaswami) and Chitalonga are of opinion that their presence is unnecessary.

43. The Secs of Hapur (Mr. Kiran) Jambur (Mr. L. M. M. M.), and of Mysore & Kanan (Mr. Ramana) strongly advocate the

R#47-24-1

Sir,

I am anxious to bring to your kind consideration the following fact and an immediate favourable order thereon

Hitherto Amildars and Asst. Commissioners used to attend the meetings of Representative Assembly members in each District Headquarters, where subjects were selected for the Representative Assembly meetings.

The presence of Amildars in a way were useful in giving instructions to the superior officers - the Deputy Commissioners who used to preside over the meetings on the matter of Local Subjects. In their enthusiasm and anxiety the R.A. members used to bring in a lot of local subjects and to know which were important and which were not. The presence of these Amildars to a certain extent was necessary.

After the Reforms the Local Subjects are no longer within the sphere of the Representative Assembly, and the presence of these Amildars is not of any use. On the other hand their attendance would cost a good deal of money to the Government. Their legitimate work in their respective Taluks or in their

their offices suffers for a period of three to four days, and the amount they claim as Travelling Allowance is also considerable.

I do believe, besides, that the presence of many Amildars in such meetings will create an atmosphere not favourable to free expression by the members.

Generally there are one or two Assistant Commissioners in the District Head Quarters and these are enough to help the Deputy Commissioners when he presides over the meeting and no other Asst. Commissioner from the Munsif need attend these meetings.

A kind consideration and favourable order thus saves a lot of money and facilitate Government work in Taluk and Sub Division offices in the State.

As the meetings for the selection of subjects are to be held very shortly I request you to be so good as to give this your kind attention and pass early orders.

Dated Kolar, the 18th September 1924.

FROM

S. HIRIANNAIYA, Esq., M.A., B.L.,
DEPUTY COMMISSIONER, KOLAR DISTRICT.

Nagappa, Esq., Bar-at-Law,

Secretary to the Government of Mysore,

Local & Legislative Departments, Bangalore.

SIR,

With reference to your letter No:P.1312-19/ (i) N.A. dated the 10th instant, desiring me to furnish my opinion regarding the representation of Mr. M.C.Linge Gowda that the presence of Amildars and moffussil Assistant Commissioners is unnecessary at the meeting of the Representative Assembly members at the District Head Quarters for the selection of subjects &c., I have the honor to state that I am entirely against the suggestion. The member is under a misapprehension when he says that the presence of the Amildars was required only for help in the selection of local subjects. On the other hand, I appreciate the presence of the Amildars very much in the discussion on general subjects brought up by members, as a representation not infrequently is based on local experience as to the working of a measure or Government order. The help given by the Amildars in the elucidation of these matters is invaluable. They take no part in the discussion and will only answer questions put by the Deputy Commissioner.

As regards the creation of an unfavourable atmosphere, the days are gone when Representative Assembly members were afraid to speak owing to the presence of local officers. Further, local subjects have also to be disposed of even according to the new constitution.

I have the honor to be,

Sir,

Your most obedient servant,

C Ramachandrarao
Treasury Assistant Commissioner,

Sir,

I have the honor to acknowledge receipt of your letter No.

P.1312-19/R&A- dated the 10th September 1924, forwarding for opinion copy of Mr. M.C. Lingegowda's letter suggesting that the and moffusil Assistant Commissioners presence of the Amildars is quite unnecessary at the meetings held at the Head quarters of the District for the selection of subjects.

2. The grounds mentioned by Mr. Lingegowda are three fold. I shall deal with each of them seriatim.

(i) "After the Reforms, local subjects are no longer within the sphere of the Representative Assembly and the presence of the Amildars is not of any use".

The first part of the statement, though ^{plausibly} ~~fancifully~~ correct, is actually incorrect in the context in which it is used. Representative Assembly members send in both General and Local subjects to the Deputy Commissioner and it is one of the ~~main~~ functions of the District Meeting to separate the local subjects, sift them and refer such of them as require fresh action to the District Board, and others already in different stages of Departmental action to the respective Departments, for expediting further action. This has been the experience of this District at the two meetings under the new arrangements and it has brought general satisfaction to all concerned.

concerned. &

Further, several general subjects also are imperfectly expressed, and are merely generalisations ^{from} ~~for~~ local instances, and the presence of the local Officers has helped to investigate such instances and explain the circumstances at the meetings, thereby facilitating voluntary withdrawal of subjects and smoothening the process of selection.

A statement shewing the results of the two meetings is appended to make the above points clear.

41 representations were withdrawn in the April meeting and 37 in the August meeting.

(2) " Their attendance would cost a good deal of money to the Government. Their legitimate work in their respective Taluks ~~are~~ or in their Offices suffers for a period of three ~~to~~ four days , and the amount they claim as T.A. is also considerable".

The total T.A. payable to the Sub Division Officer Saklespur and the Amildars of Taluks except Hassan and the Deputy Amildar, Alur, for such a meeting is Rs81/- which is not considerable. But I may add so far as this District is concerned, that the T.A. was paid not merely for attending the meeting, but also for attending in April the annual meeting for selection of works for minor tank restoration during 24-25 and in August for attending the meeting of the District Officers - both of which were held on the very days of the respective District Representative Assembly Meetings. The presence of Amildars and Sub Division Officers at the District Head Quarter^s in August was also utilised for having a conference of Revenue Officers for discussion of -- purely departmental questions and state ^{to take stock of progress and} of work under various heads. Similar conferences at intervals are --

are necessary in the public interest quite apart from ~~Representative~~
Representative Assembly meetings.

3. The third ground is that " the presence of many Amildars in
such meetings will create an atmosphere not favourable to free --
expression by the members" and I do not think any remark of mine
is necessary about this.

I have the honor to be,

S i r,

Your most obedient servant,

S i r,

With reference to your letter No. P.1312-19 (1) R.A. dated 10th September 1924, calling for my opinion on the -- suggestion made by the Representative Assembly Member Mr. Linge Gowda of Maddur that the presence of the Amildars and moffusil Assistant Commissioners is quite unnecessary at the meetings held at the Head Quarters of the District, for the selection of subjects, I have the honour to state that I am of opinion that the presence of these moffusil officers is necessary. Mr. Linge Gowda seems to apprehend that the --- presence of these officers would hamper free discussion by the members not to speak of the waste of time and unnecessary ~~expenses~~ expenses to Government by way of Traveling Allowance. But their presence, on the other hand, is believed to assist in arriving at a correct decision about things discussed in the meetings, by supplying valuable information from their local knowledge and experience, specially when there are occasions when matters are exaggerated by -- some of the members, who make such meetings, as vantage --- ground to vent their personal wrongs, real or imaginary. -- Again members are often apt to take ~~the~~ narrow views, giving

undue

undue importance to matters connected with their own particular village, Hobli or Taluk, while the Amildars and Sub Division -- Officers having ^a ~~wider~~ knowledge extending over a larger area, - over the whole Taluk, or the several Taluks in the Sub Division, are better able to put things in their true ^{perspective} ~~perspective~~. Moreover advantage is also being taken when all these officers --- assemble together in the District Head Quarter twice a year, to discuss important administrative matters requiring exchange of thoughts and issue of personal instructions and this, in my opinion, is an ideal opportunity for all officers to meet together and as such, it should not be discontinued. Thus, ^{the} Government -- Order requiring occasional meetings of officers would also ^{be} satisfied by requiring moffusil officers to attend such meetings.

2. Under the above circumstances, the question of cost entailed on Government in the shape of Travelling Allowances - does not, therefore, deserve very serious consideration. But, I may be permitted to add that all the Amildars and Deputy --- Amildars have now been granted the monthly consolidated allowance and ^{what} ~~that~~ they would get by going to District Head Quarter is only a small extra amount in lieu of the consolidated allowance. Further, there is no more than a single Assistant Commissioner, who comes from outside and this is the Sub Division Officer of Maddagiri and the amount of his Travelling Allowance is not after all considerable.

3. In these circumstances, I think that the existing practice of inviting moffusil Revenue Officers to the District Head Quarter for Representative Assembly Subject Meetings calls for no change. In this connection, I consulted the Head - - - Quarter Assistant Commissioners and the Amildar. These are -- also of the same opinion.

I have the honour to be,

sir,

your most obedient servant,

Deputy Commissioner,
Tumkur District.

SIR,

With reference to your letter No.P.1312-19(1)

R.A. dated the 10th September 1924, calling for my
opinion in the matter of the Amildars and Assistant
Commissioners being present at the meeting of the
members of the Representative Assembly at the District
Head Quarters for the selection of subjects etc.,

I have the honor to state that the presence of the
said officers at these meetings seem to be necessary.
Though Local subjects are no longer within the sphere
of the Representative Assembly, as suggested by the
member, ^{yet} these subjects are always brought in and have
to be classified as such at these meetings as per
Government Order No.7265-327/L.B.124-23-1 dated 13th
March 1924. - Further, ~~these subjects are to be discussed~~
and all those which are found to be within the powers
of disposal of the Local bodies have to be forwarded
to them for disposal. The remaining Local subjects
are to be forwarded to the District Board for opinion.
This work which has devolved on the members could not,
I believe, be done satisfactorily without knowledge
into local affairs. The officers mentioned by the
member who are in most cases Presidents of Municipalities

and Taluk Boards are those most competent to advise on such subjects and their presence facilitates the consideration of such subjects.

I do not believe that their presence will in any way hamper the free discussion of subjects by the members, as I know from experience that the members are not influenced by such considerations, nor is it true that the presence of these officers will create any unfavourable atmosphere. I think that the matter may be left to the discretion of the Deputy Commissioners and no hard and fast rule is called for.
